

Dear TeachingChile Participant,

Our Goal: Maintaining a partnership with TeachingChile and offering you a special discount – has nothing to do with money. We at Escuela Bellavista believe you deserve extra consideration for the steps you are taking that will allow you to have a better and clearer idea about different cultures and ways of living, and ultimately, contributing for a better world.

Mauricio Jara – Managing Director / Escuela Bellavista, Santiago, Chile

¡ NOS VEMOS EN CHILE !
